3 Constitution

3.1 The Student Council (SC) is composed of 9 members, one of which will be elected as Chair by SC members. With three positions reserved for each year group of ACLT.

3.2 SC members must be enrolled in the ACLT Costs Lawyer course. Elections will take place within the first three months of each calendar year during which time 3 new members from the current first year of ACLT will be elected to represent their year throughout the course for three years.

3.3 At the end of each year the final year council members will resign their positions but, where possible, continue in an interim position until the next set of elections. Elections will be open to anyone from the first year of the course and, where necessary, other vacant positions will also be put up for election and open to the respective year group to which they relate.

3.4 Elections will be performed by online secret ballot.

3.5 Although student council members are elected to represent their year group throughout the three year course, council members may choose to resign their position.

3.6 A petition carrying the signatures of 5% of the full student membership is required to trigger a vote of no confidence in any one SC member, or a majority vote of ACL Council. A vote of no confidence will then be conducted in the same manner as the original election. In the alternative a 2/3 majority of the SC can also remove a member of the SC. In the event of early retirement or removal from a position, the Student Council will co-opt an interim member, if they so wish, to act on Student Council until the next election.

3.7 Once elected, the SC will elect from within itself a Chair and Vice-Chair, the former of which will be responsible for chairing SC meetings and attending ACL Council Meetings on behalf of the SC, and the latter for standing in in the Chair's absence. If necessary, an additional interim member of SC may be appointed to replace the Chair's standard SC responsibilities.

3.8 The SC will then appoint its members equally to three committees, with one member from each year group sitting on each committee, to work in conjunction with the committees of the ACL Council, namely Policy, Education and PR & Marketing.

3.9 SC will be deemed quorate if 5 or members are present or, if a 10th member is co-opted, if 5 members one of whom is the Chair are present. SC members can nominate a proxy to vote in their absence.

4 Nolan Principles

4.1 In accordance with general good practice, to ensure that the SC governance approach and processes are consistent with the ACL Council, the Student Council will adopt the Nolan Committee principles of Standards of Public Life.

4.2 The seven Nolan principles are as follows:

1. **Selflessness** - Holders of public office should take decisions solely in terms of the public interest. They should not do so in order to gain financial or other material benefits for themselves, their families or their friends.
2. **Integrity** - Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that may influence them in the performance of their official duties.
3. **Objectivity** - In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.
4. **Accountability** - Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.
5. **Openness** - Holders of public office should be as open as possible about all their decisions and the actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.
6. **Honesty** - Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.
